

Self-Assessment for Pharmacists Delivering COVID-19 Vaccines

Pharmacists are asked to reflect, self-assess, and evaluate their training and competence in order to have the necessary skills and knowledge to safely deliver the associated COVID-19 vaccines. This form should be completed and kept as part of the pharmacist's records.

Pharmacist Name:		
PSI Registration Number		
Step 1	Descriptor	Yes
	I am familiar with and comply with the Legislation which allows pharmacists who have completed accredited and approved training to administer vaccines set out in the Medicinal Products (Prescription and Control of Supply) Regulations 2003 (as amended).	
	I have completed an accredited and approved Medicines Administration (Parenteral) Training Programme and hold a valid certificate for this training programme.	
	I understand the need to repeat the Medicines Administration (Parenteral) Training Programme if: <ul style="list-style-type: none"> a) I intend to deliver a vaccine or emergency medicine via an injection route which I have not previously administered or b) I intend to deliver a vaccine or emergency medicine via an injection route which I have neither practised (i.e. administered to a patient) nor been trained in* in the previous 12 months (or previous flu season) <p>(*trained in means completion of the Medicines Administration (Parenteral) Training Programme.)</p>	
Step 2	I am competent in safe injection technique for the injection routes I intend to deliver vaccinations and/or emergency medicines	
	I have a valid certificate for CPR (Adults and Children)	
	I have a valid certificate for the Responding to an Emergency Situation and Management of Anaphylaxis (RESMA) training module	
	I have a valid certificate for the Delivery of a Pharmacy-Based Vaccination Service training module	
	I am familiar with the Summary of Product Characteristics (SPC) for each vaccine(s) I intend to administer	

	I am familiar with and comply with the current, relevant, National Immunisation Advisory Committee (NIAC) 'Immunisation Guidelines for Ireland'.	
	I am familiar with and comply with the current National Immunisation Office (NIO) Guidelines	
	I have completed the mandatory reading for vaccinators as provided on the approved HSEland training	
	I will ensure that I am aware of any changes to legislation, training or guidance and will take steps to update my knowledge and skills as applicable	
	I am aware of the practice, procedures and governance framework underpinning the vaccination activities of the vaccination centre or retail pharmacy business, where I will be administering COVID-19 vaccinations	
Step 3		
Step 3	<p><i>I am satisfied that I possess the requisite theoretical knowledge and practical skills to safely administer COVID- 19 vaccines in accordance with the legislative requirements and all relevant procedures at the vaccination centre/retail pharmacy business. I understand, in accordance with the Statutory Code of Conduct for Pharmacists that I am personally and professionally responsible for my own acts or omissions in this regard.</i></p> <p>_____</p> <p><i>Signature</i> <i>Date</i></p>
